

Setting up your free TRAKT account.

It is highly advised that you setup a free trakt account to make your NexGenTV experience easier and more enjoyable. To do this you must go to trakt.tv on your computer or other device. Click on "Join Trakt for free". You will be asked to provide an EMAIL, USERNAME, PASSWORD and CONFIRM PASSWORD, then click "JOIN TRAKT"

You may fill out the rest of your account setup or simply click on NEXT STEP a couple of times. Which-ever way you decide then click CONTINUE TO DASHBOARD. When you get to the DASHBOARD click on YOUR PROFILE, near the middle of the page, click on LISTS, on the left under PROFILE Click on ADD LIST. This is where you can make a list for every member of the household, grand kids and more. Take your time so you wont have to come back and do it again, it is worth the time.

On your NexGenTv box, you need to click on KDPLAYER, then go to VIDEO then click on EXODUS, then click on TOOLS, then click on ACCOUNTS, go to TRAKT and click. You will be given a code.

You will need to go to <https://trakt.tv/activate> and put in the code given you, then click activate, a new window will ask " Allow Exodus to use your account?" Click YES

Your username will now appear in the Trakt account in EXODUS and you will be able to utilize your list's.
